**\*\*\*If you were born after January 1, 1972 and we do not have a hunter safety certificate on file for you, we will need a copy sent in with your application in order to process your application.\*\*\***

### Deposits and Dates

A \$500 deposit is required each year to put in your application. This will be applied to your hunt cost when you successfully draw a tag. Successful applicants will be required to pay half of the remaining balance of their hunt cost in July with the balance due 60 days prior to your hunt dates. Hunters who are successful but cancel their hunt will forfeit their deposit.

For archery, we typically do not book early October as it is a slower time of year, but will try to accommodate you if requested. Bow hunts will start October 23<sup>rd</sup> and run through November. This allows all of our hunters the opportunity to hunt during the most productive times of season. As your hunt draws closer, we will be able to determine more exact dates to fit your schedule.

We will need a credit card, **Mastercard** or **Visa** only, to enter your application into the Iowa DNR website to apply for your preference point or license. They do not accept Discover or American Express. In 2016, the Iowa DNR preference point was \$55.87 and license \$567.34. It can change each year and we will not know the exact amount until the application process begins, usually in May. The charge will show up on your statement in May or June from the Iowa DNR. We do not charge you for taking care of the application process. This is just a service we offer to our clients. Timberghost deposit payments can be made by credit card, paypal, check, money order or cashier's check made out to **Timberghost**.
